

CSAT Customers:

We have spent over 30 days trying to resolve a contract dispute with Panteao Productions, LLC and Fernando Coelho. While we have made every effort to try to discuss the issue with Panteao and Fernando, he has been unwilling to try to resolve the situation. At this point, we have decided that it is in the best interest of CSAT to cease our relationship with Panteao Productions, LLC. As of today, September 12, 2016, CSAT and Paul Howe are no longer associated with Panteao Productions, LLC and will not do any future projects for them. We are also not receiving any royalties on past work done for Panteao Productions, LLC.

For any of you who are my students, or, who are fellow instructors who may have questions about this matter: please feel free to contact me. I want to ensure that you are able to benefit from my experience and are fully informed. I appreciate all of you for your support thus far.
